

This year, RPL is asking the community to tell us what library services matter the most. Community feedback will shape innovation, programs, collections and services at the library, continuing to build an informed and connected community. Thank you for making your library better!

Check out all the ways we're seeking and sharing community feedback:

- In-branch survey by KPU students (February 8 and 10)
- Email survey of all active library card holders (March 1 - 18)  
Watch your inbox!
- Public Open House at Brighthouse Branch (April 25)
- Focus Groups (May)
- Online survey on Let's Talk Richmond (Summer 2018)
- Strategic Plan 2019 - 2021 released (Fall 2018)
