ASK US ABOUT

Digital Learning Tours

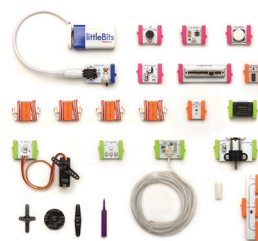

WEDNESDAYS 10 – 11:30AM

Bring your class on a tour of our Digital Learning Collection.

DASH & DOT

Little blue robots that are programmable with apps for every age group, learning level and play style.

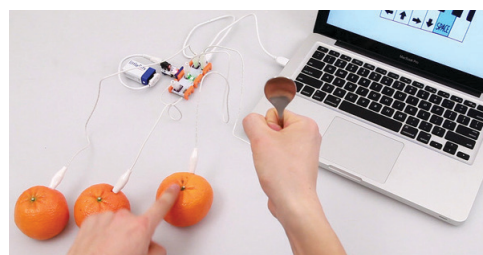

LITTLE BITS

Magnetic bits snap together to create circuits instantly to learn about electricity and circuits.

LITTLE BITS SYNTH KITS

A Little Bits expansion pack that helps you unleash your inner rockstar with modular synthesizers and music makers.

LITTLE BITS MAKEY MAKEY'S

Used in conjunction with Little Bits, MaKey MaKey's allow you to use alligator clips to turn real life objects into touchpad keys.

Maximum number of students is 32. The tour will introduce your class to the RPL Digital Learning Collection as well as the Launchpad and the 3D printers.

For more information contact Anne Bechard anne.bechard@yourlibrary.ca Head, Digital Services or Cindy Ho cindy.ho@yourlibrary.ca, Digital Services Librarian.
